

PRODUCT DATA SHEET

Connex single desk 1400mm x 800mm - black frame, beech top

CO148-K-WH

As bench solutions are becoming more popular and mainstream in open plan offices, the Connex range has been developed in response to modern office design and is a more cost effective alternative to the popular Adapt benching solution. Through its fixed beam steel frame construction and cable management options, Connex is robust enough to cope with the rigours of a busy office and is an ideal modular system for high density office spaces.

PRODUCT FEATURES

- Single straight desks 800mm deep with two cable access ports
- Rectangular steel framework in silver, black or white with excellent strength and stability
- 25mm desktops available in beech, grey oak, oak, walnut and white
- Legs are shared between desk clusters with a recessed centre leg support to save space and costs
- Quick assembly modular bench desk system for high density office spaces
- Horizontal and vertical cable management available to allow cables to rise from the floor via mass cable risers and
