

PRODUCT DATA SHEET

TR10 height settable straight desk 1600mm x 800mm - silver frame, beech top

THS16SB

With its strong lines and elegant form, TR10 is a streamlined desking system built for demanding work places and is a popular choice for a wide range of projects. The cable managed cantilever leg design allows users to hide and store unsightly cables, keeping them off the ground where they could create trip hazards and making the desk area both safe and aesthetically pleasing.

PRODUCT FEATURES

- Rectangular desks 800mm deep with two cable access ports
- Easily set the desk height at 630-830mm high or at 20mm intervals in between
- 25mm desktops available in beech, grey oak, oak, walnut and white
- Ideal for people both tall and small, and as extended height for wheelchair access
- Silver cantilever legs have vertical cable management allowing cables to rise from the floor
- Beams slot into the leg frame for easy assembly and the telescopic beam extends to the correct size
